In the interest of security, NIH has procedures at <https://www.nih.gov/about-nih/visitor-information/campus-access-security> for entrance into on-campus and off-campus facilities. All

visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors attending a meeting on campus or at an off-campus federal facility will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Additional Health and Safety Guidance: Before attending a meeting at an NIH facility, it is important that visitors review the NIH COVID-19 Safety Plan at <https://ors.od.nih.gov/sr/dohs/safety/NIH-covid-19-safety-plan/Pages/default.aspx> and the NIH testing and assessment webpage at <https://ors.od.nih.gov/sr/dohs/safety/NIH-covid-19-safety-plan/COVID-assessment-testing/Pages/visitor-testing-requirement.aspx> for information about requirements and procedures for entering NIH facilities, especially when COVID-19 community levels are medium or high. In addition, the Safer Federal Workforce website has FAQs for visitors at <https://www.saferfederalworkforce.gov/faq/visitors/>. Please note that if an individual has a COVID-19 diagnosis within 10 days of the meeting, that person must attend virtually. (For more information please read NIH's Requirements for Persons after Exposure at <https://ors.od.nih.gov/sr/dohs/safety/NIH-covid-19-safety-plan/COVID-assessment-testing/Pages/persons-after-exposure.aspx> and What Happens When Someone Tests Positive at <https://ors.od.nih.gov/sr/dohs/safety/NIH-covid-19-safety-plan/COVID-assessment-testing/Pages/test-positive.aspx>.) Anyone from the public can attend the open portion of the meeting virtually via the NIH Videocasting website (<http://videocast.nih.gov>). Please continue checking these websites, in addition to the committee website listed below, for the most up to date guidance as the meeting date approaches.
